ACTIVITY 1: APPLY THE 7 ADVANTAGES

Objective for this Activity:

Practice applying the 7 Fascinate Advantage languages by identifying the distinct messaging each language has. Remember, you communicate at your best when using your top 2 Advantages. For the purpose of this activity, we want you to apply only one Advantage to the scenario to gain a fluency in this Advantage.

Your prospective client has been having issues with employee engagement due to numerous change initiatives. Employees are feeling disconnected from their work and team, silos are forming and customers are starting to be impacted negatively. As an FCA you know that the HTF system can connect people back to their purpose, improve communication and ultimately get things back on track. You're preparing to pitch your How to Fascinate® program to your client.

Using your assigned Advantage:

- How would you pitch the value of the HTF system?
- Highlight key characteristics that this Advantage would demonstrate.
- Write a 2 – 3 sentence pitch using each Advantage.

To give you a short cut. Refer to page 9 – 17 in this workbook for the Fascinate Advantage communication do's and don'ts.

- Instead of focusing on strengths, we uncover how each person is different and uniquely suited to excel in a “specialty.”
- Instead of fixing people, we highlight what people are already doing right.
