HELLO, MEMBERS OF INTEL:

Inside this document, you'll discover our proprietary research on what makes your group most fascinating. If you're ready to begin your customized journey into the science of fascination, please continue.

The following is based on several years of proprietary research, and experience with more than 100,000 participants. Our experts have assembled the key top-line findings about your organization. This is exclusively for you. Please do not post online.

You are already fascinating—and our research proves it. We've measured the individuals in your group to show how your organization earns attention, as a whole. Our goal is to help you unlock the nuances of how you fascinate, and how to hone this natural strength to its greatest potential.

Now, invite your team and company to take part in the Fascination Advantage Test. With our preferred pricing, you'll get a discount for groups sized between 50 and 50,000 employees. Once you discover each person's fascination triggers, you can apply the Fascinate system to your whole team.

This is not about how you see the world, but how the world sees you.

At Fascinate, Inc., we're constantly studying incoming results from our Fascination Advantage Test. Every month, you will find new research available at HowToFascinate.com. In the meantime, if you have any questions or comments, please don't hesitate to share them at hello@howtofascinate.com. One of our experts will be happy to help.

Warm regards,

Fascinate, Inc.
